TEA FACTS WORTH KNOWING

First of all, remember this: When you buy any kind of tea, at any price, at any place get your full money's worth of Tea and not something entirely foreign to it. When you buy Tea buy it. When you buy something else buy it. No merchant gives something for nothing, and you should not expect it.

Quality and Kinds of Bulk Teas.

Good Bulk Tea, the kind we handle, is fully equal to some of the best package teas. Where large quantities of the tea leaves are packed closely together, as in Bulk Tea, and securely surrounded by the Japanese woven basket and an inner lined box, the Tea loses none of its original fragrant aroma and exquisite taste. Our "Green Japan," which we sell for 50c, is as good as what is charged 70c for at most places. Try it and be convinced.

Formosa Oolong..... 80c lb.
English Breakfast..... 25c; 35c and 50c lb.
Green Japan..... 50c and 50c lb.
Uncolored Japan..... 50c lb.
Green Ceylon..... 50c lb.

Best Package Tea.

Some people prefer, notwithstanding the proven excellence of Bulk Teas, the better grades of Package Teas—Teas with a brand name and a responsible firm's reputation behind them. For these people we carry:

Chase & Sanborn's English Breakfast, Green Jap Oolong, 60c lb.
Lipton's celebrated English Breakfast Tea..... 60c lb.
Salada Black Ceylon..... 50c lb.
Khedive Black Oolong, Ceylon and English Breakfast. 60c lb.
Gold Star, Japan, Oolong, Ceylon and English Breakfast. 60c lb.
Red Bell Black Ceylon..... 35c lb.

We stand back of every kind and brand of Tea we sell and guarantee its quality. Our prices in some instances are lower than found at other places, and in all cases are moderate.

Clothes That Lose Their Shape Are Dear at Any Price.

Any flat-iron-shaped Suit is bound to lose its style and character when worn in damp weather. You will pay just as much for it as you would for one honestly tailored.

But the flat-iron "dope" saves the maker quite a little expense on every suit, and you pay the difference and MORE. It keeps you "shelling out" to KEEP that suit in shape. It is a lot cheaper to get the right make in the first place, and the surest way is to buy our

It's a practical guarantee that you will get what you have a right to expect in exchange for your good money. We are exclusive agents for Rossman Clothes here. Suits from \$8.50 to \$22.00.
